

Welcome to the 10th and final Kara Tagget Open. The Kara Tagget Open has raised over \$200,000 and has donated all proceeds to the Katrina Tagget Memorial Foundation (KTMF). KTMF is a non-profit organization dedicated to bringing mental health out of the darkness and to support those in their fight against mental illness and those whose lives have been impacted by suicide.

Katrina “Kara” Tagget was 21 years old when she died by suicide on September 20, 2008. Katrina was a loving daughter and sister, caring friend, and passionate and dedicated student who found time to give to others. Unfortunately, Katrina’s depression was not properly diagnosed and treated and led to her suicide.

- Over 44,000 Americans die by suicide annually; twice the number of homicides.
- Suicide is preventable; 90% of those who take their lives have a diagnosable and treatable mental health disorder.
- For every 40 seconds, someone in the world dies by suicide; for every 41 seconds someone is left to make sense of it. Even one loss to suicide is one too many.

KTMF was founded by our family to honor and remember Katrina. By sharing Katrina’s story, we hope to erase the shame, silence and stigma of mental illness and suicide. Please consider supporting this event in any way you can and help us to tell everyone, “*Your Life Matters*”.
